Analysis Report on China Bluetooth Headset Battery Market 内容介绍 :

Abstract

Forward

0.1 Whys

0.2 Data source

0.3 Readers

Chapter one Summary

1.1 Development

1.1.1 Naissance and applications of Bluetooth headset

1.1.2 Rising and development

1.2 Global production

1.2.1 Global manufactures and brands

1.2.2 The manufacturing bases of key global manufacturers in China

Chapter two Analysis on requirement features of Bluetooth headset manufacturers on battery

2.1 Categories

2.1.1 Application types

2.1.2 Quantity

2.1.3 Shape of using electric core

2.2 Forecast on battery categories

2.3 Purchase mode

Chapter three Analysis on supply and demand of China Bluetooth headset battery market

3.1 Analysis on supply and demand

3.1.1 Size of production and selling

3.1.2 Productivity level

3.1.3 Distribution

3.1.4 Production cost

3.1.5 Market features

3.1.6 Key suppliers

3.2 Demand analysis

3.2.1 Demand size

3.2.2 Price analysis

3.2.3 Demand structure

3.2.4 Export

3.3 PACK

Chapter four Developing environment and trend of China Bluetooth headset battery

4.1 Analysis on developing prospect

4.2 Analysis and forecast on market demand

4.3 Market structure and change

4.4 Developing trend

Chapter five Conclusion

Appendix 1 Contacts of key polymer battery suppliers of China

Appendix 2 Addresses and contacts of key manufacturers

Appendix 3 Introduction on key enterprises

Appendix 4 Names of Key traders

Appendix 5 Introduction of key PACK enterprises

Catalogue of tables and chart

Table1-1 Output and brands of global key manufacturers in 2006

Table1-2 Manufacturing bases in China

Table2-1 Comparison of battery technology features

Table3-1 Production of polymer battery in the first half of 2007

Table3-2 Productivity of key polymer battery manufacturers

Table3-3 Regional distribution of polymer battery manufacturers

Table3-4 Using volume of polymer ion battery between 2002 and 2004 of key bluetooth headset manufacturers

Table3-5 Shares of global polymer lithium battery and Bluetooth headset battery

Table3-6 Price rankings

Table4-1 Output of global bluetooth chips (10thousand)

Table4-2 Volume of production and selling of global bluetooth headset

Table4-3 Output, growth rate and market share of global polymer lithium battery

Chart1-1 Market shares of global key bluetooth headset manufacturers in 2006

Chart3-1 Regional distribution of key polymer battery manufacturers

Chart3-2 Growth of using volume between 2002 and 2006

Chart4-1 Global output (10thousand)

Chart4-2 Number of global production and selling between 2002 and 2006
